

Planting flowers on the gravesites is a wonderful way to honour the memories of loved ones and serve to beautify the cemetery grounds. Due to cemetery regulations, family members are not permitted to plant their own flowers but can purchase flowers from Jewish Memorial Gardens. Our flower program provides income that greatly helps us maintain the high standard of care expected by the community.

**Jewish Memorial Gardens offers the following planting types:**

**Single Grave Planting**  
**\$150**

**Crossover Planting**  
**\$225**

**Double Grave Planting**  
**\$300**

*\* A Crossover Planting is double the width of a Single Planting, but not as long.*

Planting is done in early to mid-June, subject to weather and ground conditions, and should be in place by Father's Day.

**Orders and payment must be received by April 30<sup>th</sup>, 2025.** Orders after that date are subject to stock and may incur a \$25 surcharge.

All prices include HST.
